AMENDS SUPREME COURT PROCESS

House Judiciary Committee Reports On Important Bill With Suggestions.

Besides talking over the appropriation bill and discussing a lot of amendments, practically all of which were tabled, the House got through a good deal of other work yesterday afternoon. The judiciary committee was to the fore with two important reports on pending bills, one an amendment to the bill changing supreme court procedure, the other a report favoring Towse's bill regulating conventions, parties, elections, introduced to be passed in case the direct primary bill failed.

The amendment to the Supreme Court bill is as follows: "The supreme court shall have power to enter judgment in the case as in their opinion the facts and law warrant, in any case where questions of law have been reserved for the consideration of said court, or brought before it upon exceptions. In case any party to a cause, within thirty days from the date in which a decision had been rendered upon exceptions or reserved questions, shall file a written request to that effect, the supreme court shall render a final judgment affirming, reversing or modifying the judgment of the inferior court or tribunal, or remanding such case for such further proceedings as may be directed as to law and justice shall appear, or shall enter such other final judgment as shall be in accordance with the decision rendered by it."

Affonso's bill prohibiting certain corporations from engaging in retail merchandise business, directed against plantation stores, was tabled, and Cockett's bill authorizing the board of supervisors to regulate the character of public shows also suffered this fate.

CONGRESS WILL NOT BUTT IN

(Associated Press Cable.)
WASHINGTON, D. C., Apr. 20.—For a resolution which was declared equivalent to a declaration of war and for his speech in support of it, Senator Stone of Missouri was severely criticized and sharply taken to task by Senators Cullum, Root, Bacon and Lodge yesterday, the four Senate leaders not mincing their words in the least in condemning the Missouriian for his tactlessness and his apparent desire to precipitate trouble between this country and Mexico.

Congress is in no mood to meddle in the affairs of Mexico, and made that plain yesterday, majorities in both houses voting down resolutions tending to impair the official friendliness existing and refusing to allow any open discussion of the trouble.

De la Barra Displeases.
CITY OF MEXICO, Apr. 20.—Foreign Minister De la Barra today presented answers to the questions asked by the Chamber of Deputies regarding the status of affairs between Mexico and the United States. The minister's reply contained little that is not already known regarding the interchange of notes and the exchanges of assurances of friendship between the two Presidents.

Ambassador Wilson called upon De la Barra last night and asked him plainly if it was the desire of the Mexican government to force American intervention.

The minister emphatically denied any such desire on his part and on the part of the Mexican government.

NEW MAN FOR THE PORTUGUESE CAPITAL
WASHINGTON, Apr. 20.—America's minister to Portugal will be Edwin V. Morgan, who is to be transferred to Lisbon from Prague, owing to a number of changes in the legations made necessary through the resignation of H. H. Pierce, American minister to Norway.

Minister Pierce is to be succeeded by Laurits S. Swenson, at present minister to Switzerland, who in turn is to be succeeded by Henry S. Routell, who was nominated last month as minister to Portugal.

DON'T BE BALD

Nearly Anyone May Secure a Splendid Growth of Hair.

We have a remedy that has a record of growing hair and curing baldness in 93 out of every 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.

We are so certain Rexall "93" Hair Tonic will cure dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid for it in every instance where it does not give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed, and does not grease or gum the hair. Two sizes, 50c and \$1.00. With our guarantee back of it, you certainly take no risk. Sold only at our store—The Rexall Store, Benson, Smith & Co., Ltd.

Lots of women seem to think it's up to them to worry.

Hotel St. Francis

Union Square, San Francisco
Under the Management of JAMES WOODS

FACING the beautiful park in the heart of the city, which is the theatre of the principal events of the famous festivals of San Francisco, this hotel, in environment and atmosphere, expresses most pleasantly the comfortable spirit of old California.

The royalty and nobility of the Old World and the Far East and the men of high achievement in America who assemble here contribute to the cosmopolitan atmosphere of an institution which represents the hospitality and individuality of San Francisco to the traveler.

The building, which marks the farthest advance of science in service, has now the largest capacity of any hotel structure in the West, and upon completion of the Post street annex will be the largest caravansary in the world. WHILE THE SERVICE IS UNUSUAL, THE PRICES ARE NOT.
